Dear 3rd Grade Families,

You are invited to our 2024 Music Informances! A Music Informance is an exciting after school event where every student has the opportunity to shine and showcase their wide range of musicianship. In an Informance, every student will show their musical growth through movement, singing, and playing a variety of instruments. [Click here to learn more about the Informance format.](#)

Students should wear a school shirt or school colors with comfortable pants and be ready to MOVE!

Audience members are welcome to take pictures, or video, during the Informance.
